

Loss Control

Transportation

When you have insurance with IAT Insurance Group, our experienced Loss Control Specialists become an integral part of your operation. For more than 50 years, our company has been a trusted source for commercial transportation coverage, adding value to our customers and business partners' practices. We focus on the needs of the transportation industry and we are fully committed to providing you with the tools to improve safety and reduce risk.

Features, Benefits and Services

Our Loss Control team is strategically located across the country to meet the needs of our customers. We conduct on-site safety and loss control assessments to help you, our partner, better manage exposure to loss.

We develop recommendations to help manage exposures and support your D.O.T. compliance efforts with focused, consultative assistance regulated by Federal Motor Carrier Safety Regulations.

In addition, we provide a quarterly Safety Gazette to keep safety issues front and center.

Improve Your Operations

- Increase the safety awareness of your employees
- Identify risks and loss exposures
- Gain expertise in managing and reducing exposure to loss
- Analyze your current loss trends to reduce and control losses
- Receive assistance in developing Fleet Safety Programs

Online Resources

We provide support beyond the policy. Our Loss Control experts are located throughout the country to help motor carriers manage risks before drivers turn the ignition key. Offering:

- Onsite safety assessments
- DOT compliance support
- Consult on Federal Motor Carrier Safety Regulations
- And more
